Please note there may be some technical issues during the hybrid Commission meetings.

Instructions for Providing Public Comment:

Public comment is an important part of every Commission meeting, and this hybrid meeting is no exception. If you plan to comment on an agenda item, or on a matter not on the meeting agenda, please follow the instructions below.

To make remote public comment, you will need to connect (online or by phone) to the meeting using Zoom.

When the public comment period opens for your item, you may comment using the "raise hand" function in Zoom. You can do this by clicking "Raise Hand" under the "participants" menu, which you can find at the bottom of your screen on the Zoom platform, or by pressing *9 if you are joining by phone. The Commission staff member who is facilitating public comment will call on you upon seeing your raised hand. Commission staff will unmute your microphone then your name is called.

To make in-person public comment, please fill out the physical comment card provided during the meeting. Prior to making your comments, please state your name for the record and identify any group or organization you represent.

Timing of Comments:

Public comments will adhere to the length the meeting chair announces during the meeting. Commission staff will share a timer and ask speakers to end when their time is up.

Trouble-shooting technical problems on Zoom:

Please use the Q&A Function and Staff will respond quickly. If you are participating by phone, please email RacialEquityCommission@opr.ca.gov.

General Guidelines for Participation in Council Meetings:

All times indicated and the order of business is approximate and subject to change. Public comment is taken on each agenda item as well as at the end of the meeting. If you wish to speak, please fill out the provided comment card for in-person public comment or use the "Raise Hand" function for remote public comment. Prior to making your comments, please state your name for the record and identify any group or organization you represent. Depending on the number of individuals wishing to address the council, the Chair may establish specific time limits on presentations.
